Terms of Service:

(Last Updated: 04/21/2022)

Please read these Terms and Conditions carefully before using ISOVerse.

Your access to and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who access or use this Service.

By accessing or using ISOVerse you agree to be bound by these Terms. If you disagree with any part of the terms then you may not access ISOVerse.

ISOVerse (“ISOVerse”, ”we”, “us”, “our”) is an app designed to allow users to create ai ISOMorph zones, objects, and documents - spaces that represent them and their interests. We use ai and augmented reality to represent the user. Each user can assign their ISOMorph to a place or thing. Users may create a personal ISOMorph, a monument ISOMorph, a business ISOMorph, or a Payplace ISO. Users that visit ai ISOMorphs will interact with these spaces as if the owner was standing there. Additionally, users may interact with a talking billboard that represent the user's ideas, opinions or products. ISOVerse allows you to create a personal profile, send and receive messages as well as the ability to post and see posts from other people.

We reserve the right, at our sole discretion, to change or modify portions of these Terms of Service at any time. If we do this, we will post the changes on this page and will indicate at the top of this page the date these terms were last revised. We will also notify you either through an email notification or through other reasonable means. Changes will become effective no earlier than 14 days after they are posted, or possibly earlier if needed for legal reasons.

In addition, when using certain services, you will be subject to any additional terms applicable to such services that may be posted on the Service from time to time, including the [Privacy Policy](#). All such terms are incorporated by reference into these Terms of Service.
